

# Community Economic Development 101

## Workshop for Municipal Councillors & Volunteers

### Join us for a **Free** Interactive Workshop

Learn the basics of economic development and take away practical tools to help your municipality develop & implement an economic development strategy.

During the workshop we will:

- Provide you with a model of how to understand basic economic activity in your community
- Increase your understanding of the potential scope of economic development activity
- Provide you with some practical tools to assist in your economic development efforts

**Choose a session that works for you**

**See over for Locations and Dates**
